In asking the Church to baptise my child, I accept the responsibility to try to raise my child in the Faith, to accompany him or her to Mass, to ensure he or she receives a faith education and, to the best of my ability, provide a loving, prayerful, Christian family life.

I declare before God that the information I have given is true; that I fully accept the meaning and obligations of Baptism; that I understand that this documentation will be retained by the Catholic Church and that the details of this Baptism will be permanently recorded in church registers.
